

Paint the Town BLUE

Since 2007, the Chicago Police Memorial Foundation has given \$15 million in assistance to Chicago Police Families in need.

WHAT:

The Chicago Police Memorial Foundation is painting the town blue in support of the families of fallen and catastrophically injured Chicago Police Officers. We are asking all restaurants, bars, hotels and businesses to sell blue, silver and gold stars and then proudly display them in their establishments. You may offer your patrons the opportunity to write their names on the stars if they choose to do so.

CPMF welcomes and greatly appreciates all levels of support.
