## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
**CHICAGO POLICE MEMORIAL FOUNDATION**  
Chicago, Illinois

### **Opinion**

We have audited the accompanying financial statements of **CHICAGO POLICE MEMORIAL FOUNDATION** (the "Organization"), which comprise the statements of assets and net assets – cash basis as of December 31, 2021 and 2020, and the related statements of support, revenue, and expenses – cash basis, and functional expenses – cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Organization as of December 31, 2021 and 2020, and its support, revenue and expenses for the year then ended in accordance with the cash basis of accounting as described in Note 2.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore

---

is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Report on Supplemental Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021

#### NOTE 1. NATURE OF ACTIVITIES

The **CHICAGO POLICE MEMORIAL FOUNDATION** (the “Organization”) is an Illinois not-for-profit corporation dedicated to providing benefits, educational assistance and suicide prevention programs to the families of Chicago police officers who have sacrificed their lives or have been catastrophically injured in the line of duty. As a tribute to these officers, the Organization has built a permanent memorial east of Soldier Field (named Gold Star Memorial Park) on land donated by the Chicago Park District. The Organization also makes donations to the Chicago Police Department for purchases of safety equipment for police officers (i.e., bullet proof vests). Funding is derived primarily from contributions. The Organization is based in Chicago, Illinois.

#### NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

##### A. Basis of Accounting

The Organization uses the cash basis for recording receipts and disbursements for both book and income tax purposes. This is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, revenue and the related assets are recorded when received rather than when earned, and expenses are recognized when paid rather than when the obligations are incurred. The exceptions to this policy are that investments are carried at fair market value, accrued interest earned from investments is recorded, and fixed assets are capitalized and depreciated over their useful lives.

##### B. Basis of Presentation

Financial statement presentation follows the recommendations of the Accounting Standards Update (ASU) No. 2016-14, *Financial Statements of Not-for-Profits*. Under ASU No. 2016-14, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions, if applicable.

##### C. Cash and Cash Equivalents

The Organization considers all highly liquid short term investment instruments purchased with a maturity of three months or less at acquisition date to be cash equivalents.

##### D. Investments

Investments are carried at the quoted market value of the securities. Realized gains and losses are based on specific identification of the security sold.

##### E. Fixed Assets

The Organization follows the practice of capitalizing, at cost, all disbursements for fixed assets with a useful life of more than one year. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets. Depreciation expense was \$100,929 and \$97,423 for the years ended December 31, 2021 and 2020, respectively.

## CHICAGO POLICE MEMORIAL FOUNDATION

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021

#### NOTE 2. SIGNIFICANT ACCOUNTING POLICIES – Continued

Useful lives for each asset category are as follows:

<u>ASSET CATEGORY</u>	<u>LIFE</u>
Memorial Park	40 Years
Vehicles	5 Years

#### F. Contributions

All contributions are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported on the Statement of Support, Revenue, and Expenses as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

#### G. Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting functions. Those expenses include general and administrative expenses necessary to support the Organization's mission. Wherever possible, expenses are charged directly to the program or supporting service that is generating the expense. Certain expenses are allocated to programs and supporting services using varying methods which estimate actual usage. Examples include insurance, cell phone, postage and delivery, advertising, and office expenses which are allocated based on total salary and wages for each function.

#### H. Advertising

The Organization charges advertising directly to operations as incurred. Advertising expenses were \$227,744 and \$17,534 for the years ended December 31, 2021 and 2020, respectively.

#### I. Income Tax Status

The Organization is exempt from federal income taxes under Internal Revenue Code 501(c)(3) and therefore, no provision for federal income taxes has been made on the accompanying financial statements. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the years ended December 31, 2021 and 2020.

The Organization records interest and penalties associated with taxes in management and general expenses. There were no interest or penalties during the years ended December 31, 2021 and 2020.

## CHICAGO POLICE MEMORIAL FOUNDATION

---

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021

#### NOTE 2. SIGNIFICANT ACCOUNTING POLICIES – Continued

##### J. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Organization's significant estimates include:

- Management estimated the value of federal government securities, municipal bonds and corporate bonds investments based on prices provided by their investment managers and their custodian bank.

##### K. Revenue Recognition Policies

The Organization derives its revenue primarily from contributions and special events. Revenue from contributions is recognized based on conditional or nonconditional requirements by the donor and special events revenue is recognized at the time of the event.

##### Economic factors

The Organization generates revenue primarily from individuals and companies in the Chicagoland area. The Organization's financial health is therefore impacted by economic conditions in this area.

##### Variable consideration

The Organization does not typically issue refunds for special events but could issue refunds based on specific circumstances.

If the Organization receives a conditional contribution and does not meet the conditions, the contribution is returned based on the agreement. The Organization has a conditional agreement with the donor who contributed funds for the education assistance and suicide prevention program. Net assets with donor restrictions of \$342,129 and \$318,230 were recorded at December 31, 2021 and 2020, respectively, for contributions from this donor that had yet been expended for the restricted purpose. The Organization expects to expend these funds for the restricted purpose in future fiscal years.

#### NOTE 3. FINANCIAL INSTRUMENT RISK

The Organization maintains checking, savings and money market accounts at a credit union. Accounts are insured by the National Credit Union Administration ("NCUA") up to \$250,000. Deposits exceeded the NCUA limit by \$1,253,790 and \$1,013,842 at December 31, 2021 and 2020, respectively.

The Organization maintains one certificate of deposit at a bank and two money market accounts with an investment company. The Federal Deposit Insurance Corporation ("FDIC") insures the total of the accounts at a single institution up to \$250,000. Deposits exceeded the FDIC limit by \$353,382 and \$0 at December 31, 2021 and 2020, respectively.

#### NOTE 4. FAIR VALUE MEASUREMENTS

VALUATION OF INVESTMENTS – FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used since December 31, 2020.

*Equity securities and other fixed income:* Valued at the closing price as reported on the active market on which the individual securities are traded (level 1 inputs).

*U.S. Treasury notes:* These investments are a group of asset-backed securities that are secured by the U.S. government. These investments are valued based upon quoted market prices (level 1 inputs).

*Federal bonds, municipal bonds and corporate bonds:* These investments are a group of asset-backed securities that are secured by the mortgage securities, collateralized mortgage obligations and corporations. These investments are based on prices provided by their investment managers and their custodian bank. Both the investment managers and the custodian bank use a variety of pricing sources to determine market valuations (level 2 inputs).

#### NOTE 4. FAIR VALUE MEASUREMENTS - Continued

Methods to determine fair market value may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments are recorded at market value and summarized as follows:

	<b>2021</b>		
	<b>Cost</b>	<b>Fair Market Value</b>	<b>Unrealized Gain</b>

#### NOTE 5. DONATED LAND

The Chicago Park District donated the use of land for Gold Star Memorial Park. The Organization does not pay rent and has not recognized an asset or contribution for the use of this land. If the Organization no longer needed this land, it would be returned to the Chicago Park District.

#### NOTE 6. OPERATING LEASE

In May 2019, the Organization signed an operating lease agreement for a 2019 Jeep Grand Cherokee. This lease expires in May 2022 and has a monthly payment of \$488.

In January 2021, the Organization signed an operating lease agreement for a 2021 Jeep Grand Cherokee. This lease expires in January 2024 and has a monthly payment of \$171.

In October 2021, the Organization signed an operating lease agreement for a 2021 Jeep Grand Cherokee. This lease expires in October 2024 and has a monthly payment of \$468.

Total lease expense was \$8,674 and \$5,862 for the year ended December 31, 2021 and 2020, respectively.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021

#### NOTE 6. OPERATING LEASE - Continued

Following are the future minimum lease payments required at December 31, 2021:

<u>FISCAL YEAR</u>	<u>AMOUNT</u>
2022	\$ 10,102
2023	7,660
2024	4,848
Total minimum lease payments	<u>\$ 22,610</u>

#### NOTE 7. IN-KIND CONTRIBUTIONS

In-kind contributions are recognized as contributions in accordance with ASC No. 958-605, *Not-for-Profit Entities Revenue Recognition Contributed Services*. Under ASC No. 958-605, the Organization records the fair market value for donated services and goods if they create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

Donated goods and services recognized on the Statement of Support, Revenue, and Expenses during 2021 and 2020 consisted of the following:

	<u>2021</u>	<u>2020</u>
Maintenance services at Gold Star Memorial Park	\$ 15,424	\$ 35,000
Office space and administrative services	53,475	50,225
Donated goods	1,855	94,604
Donated audio and visual equipment and services	45,246	31,135
Total	<u>\$ 116,000</u>	<u>\$ 210,964</u>

In addition, many individuals volunteer their time and talents in performing a variety of tasks that assist the Organization. No amounts have been reflected in the financial statements for these donated services because the criteria for recognition under ASC No. 958-605 were not met.

#### NOTE 8. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions of \$342,129 and \$318,230 at December 31, 2021 and 2020, respectively, were restricted for education assistance and suicide prevention programs.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021

#### NOTE 9. BOARD DESIGNATED NET ASSETS

The Organization has designated \$7,603,366 and \$5,168,267 at December 31, 2021 and 2020, respectively, for future education assistance for families of Chicago police officers who have sacrificed their lives or have been catastrophically injured in the line of duty.

#### NOTE 10. EDUCATION CHARTER

It is the mission and responsibility of the Organization to pay for the costs of educating the children of officers who have been slain or catastrophically injured in the line of duty. The Organization provided education assistance of \$302,343 and \$210,692 for the years ended December 31, 2021 and 2020, respectively. The Organization is currently responsible for the following children as of December 31, 2021:

Eligible for post graduate studies	4
Currently enrolled in college	4
Currently enrolled in high school	6
Currently enrolled in grammar school or pre-school	14
Total children	<u>28</u>

The Organization anticipates the future costs to educate these children to be \$8,505,388, with an estimated net present value of \$6,165,248 using a discount rate of 5%, as of December 31, 2021.

#### NOTE 11. EMPLOYEE RETIREMENT PLAN

The Organization sponsors a qualified 403(b) retirement plan covering all employees. The Organization matches 3% of each participant's compensation each year. The Organization's contributions to this plan were \$13,891 and \$14,536 for the years ended December 31, 2021 and 2020, respectively.

#### NOTE 12. CONTINGENCY

The Organization approved a deferred compensation plan during the fiscal year ended December 31, 2018. The plan allows specific participants, at their discretion, to defer a minimum of 1% up to a maximum of 75% of their annual compensation. This deferral will not earn any investment income. Participants are 100% vested when enrolled. This amount will not be paid until a participant's resignation, retirement, disability or death. The deferred liability balance was \$160,500 at December 31, 2021 and 2020, respectively, and is not reflected on these cash basis financial statements.

Financial assets not available to be used within one year		<u>(7,945,495)</u>
Financial assets available to meet general expenditures within one year		<u>\$ 8,413,186</u>

#### NOTE 14. LOAN FORGIVENESS

On April 21, 2020, the Organization received \$99,219 through the Small Business Administration's Payroll Protection Program ("PPP"). Under the terms of that program, the amount was originally advanced under a loan agreement dated April 20, 2020 and was subsequently forgiven on November 21, 2020.

On February 2, 2021, the Organization received \$103,296 through a second loan from the Small Business Administration's PPP. Under the terms of that program, the amount was originally advanced under a loan agreement dated February 2, 2021 and was subsequently forgiven on July 12, 2021.

Forgiveness of both loans is included in "Other income" on the Statement of Support, Revenue and Expenses – Cash Basis for the year ended December 31, 2021 and 2020. Additional information may be obtained from management and from the Small Business Administration.
