# MISSION

Chicago Police Memorial Foundation

The Chicago Police Memorial Foundation is a not-for-profit organization dedicated to honoring the lives of our fallen heroes and assisting those heroes in need. The Foundation provides support and assistance to the families of Chicago police officers who are killed or catastrophically injured in the line of duty.

# A MESSAGE FROM OUR PRESIDENT

Dear Friends,

I am pleased to report that the Chicago Police Memorial Foundation is financially stable and prepared to meet its future commitment to our Chicago Police Officers. When 2021 began, we expected to be challenged with Covid-19's effect on our lives, complicated by all the civil unrest in Chicago. With the tragic loss of Chicago Police Officer Ella French, the impact this had on the officers and their families was unimaginable.

This year alone 76 Chicago Police Officers were fired upon while protecting our city. These officers were protected by their vests! In 2021, the Foundation's continuing support through the "Get Behind the Vest" campaign provided 438 vests and vest covers free to Chicago Police Officers. In fact, we have purchased and provided free of charge, 11,728 vests since 2014.

For the families of fallen and catastrophically injured officers our promise — our program — has provided for their children's education from pre-school through graduate school. Last year the cost of this program alone was more than $302,000. Our estimated obligation for this program for the children included today, is more than $6,400,000.

In 2021 the Chicago Police Memorial Foundation contributed more than $1,200,000 in assistance to CPD families in need. Since 2007 the Foundation has given over $16,100,000 in assistance to families in need. As we work to support our commitment to CPD families, we estimate our future obligation to this program and others like it to be $ 11,582,000.

In 2021 as in past years, the Chicago Police Memorial Foundation has operated at a high rate of cost effectiveness. Currently 87% of every dollar raised went directly to our assistance programs.

I would be remiss if I did not thank and commend Phillip Cline and his staff for their outstanding dedication and efforts to the CPMF. Furthermore, "Thank You" to the members of the Board of Directors who contribute their time and talents to the Foundation.

Most importantly, I want to thank all our corporate and individual donors for their support of the Chicago Police Memorial Foundation. Only with your generosity are we able to carry out the Foundation's mission. I am reminded of a quote, "The happiest days of my life are when I think about others, the saddest days are when I think of myself."

Finally, to all Chicago Police Officers, "We have your back."

Thank you and God Bless,

William Condon

President
