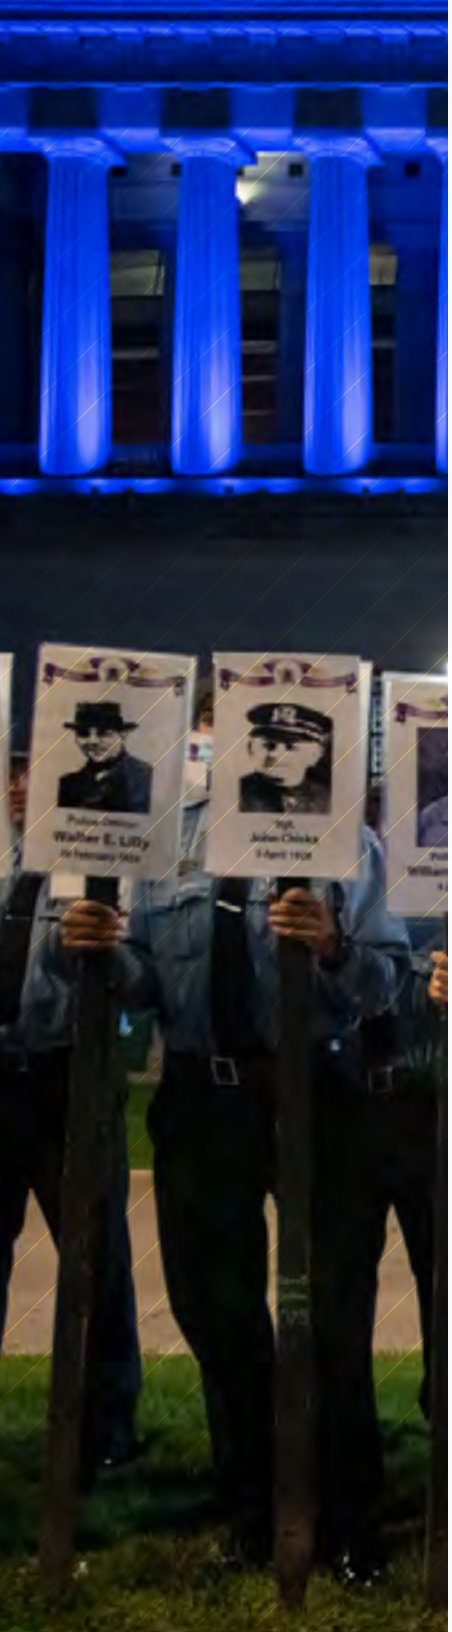
CHICAGO POLICE MEMORIAL FOUNDATION

ANNUAL REPORT

MISSION

The Chicago Police Memorial Foundation is a not-for-profit organization dedicated to honoring the lives of our fallen heroes and assisting those heroes in need. The Foundation provides support and assistance to the families of Chicago police officers who are killed or catastrophically injured in the line of duty.



A MESSAGE FROM OUR PRESIDENT

Dear Friends,

I am pleased to report that the Chicago Police Memorial Foundation is the premier police foundation in the United States. We are financially stable and prepared to meet our future commitments to our Chicago Police Officers. The year 2022 will be remembered as a challenging year for policing in Chicago. The impact of these challenges has had a significant effect on police morale.

A common statement among police officers is "I have your back". With the inherent dangers in policing, it means I will support you, help you and protect you. The Chicago Police Memorial Foundation has the back of all the Chicago Police Officers. Our mission is to provide support and financial assistance to the families of Chicago Police Officers who are killed or catastrophically injured in the line of duty.

In 2022 the CPMF contributed more than $1,500,000 in assistance to CPD families in need. Since 2007 the Foundation has given over $18,700,000 in assistance to families in need. As we work to support our commitment to CPD families, we estimate our future obligation to this program and other similar programs to be $12,800,000.

The Chicago Police Memorial Foundation has many programs which are presented in this annual report. Two program's which present the depth of our commitment to Chicago Police Officers, are "Get Behind the Vest" and our Educational Assistance.

The number of police officers who have been shot and killed in the last decade is significantly less than in prior decades. This is the result of bullet proof protective vests. Police officers were required to purchase their own vests, the city did not provide them. In 2014, the CPMF began providing the vest free of charge to all Chicago Police Officers. Since the program's inception, we have provided over 12,500 vests at a cost of $5,500.000.

For the families of fallen or catastrophically injured officers, our promise is to provide for the education of their children from pre-school through graduate school. In 2022, CPMF provided for the education of these children at a cost of $278,000. Currently we have two students in medical school. Our estimated obligation for the Educational Assistance Program is more than $9,000.000.

The success of The Chicago Police Memorial Foundations is a direct result of the leadership of Phillip Cline and the dedication and effort of the staff. Furthermore, "Thank You" to the members of the Board of Directors who contribute their time and talents to the Foundation.

Most importantly, I want to thank all our corporate and individual donors for their support for the Chicago Police Memorial Foundation. Only with your generosity are we able to carry out the Foundation's mission.

Finally, to all Chicago Police Officers, "We have your back."

Thank you and God Bless,

Sandra Wortham

President
