**I PROTECT THOSE
WHO PROTECT ME.**

When Chicago Police Officers are hired, they receive a new bulletproof vest. However, a vest isn't bulletproof forever.

It wears out. It breaks down. It needs to be replaced every 5 years. Just one bullet permanently damages a vest, making it unusable. Chicago Police Officers are responsible for replacing their own vests. At \$500 or more per vest, in addition to other equipment and uniform expenses, the costs can quickly add up. That's why we need your help.

The Chicago Police Memorial Foundation has paid out more than \$4.9 million to purchase over 12,000 replacement vests for Chicago Police Officers and at least 500 more in 2023. The initiative is ongoing and we project 500 officers a year will need new vests in the future.

This event has raised over \$500,000 to date.
