September 2023 Officers of the Month

On a midnight shift in July, officers in the 011th district may have saved not just one life by their quick action, but 2. The officers' skill and dedication kicked in when faced with human suffering and potential loss of life.

0n July 20th at approximately 2am, 011th district Officer Fredrick White heard multiple gunshots, indicating a possible high-capacity weapon. He immediately responded in the direction of the gunfire to investigate. Mind you, this officer was working alone in his squad—no partner. He discovered a bloodied 40-year-old male on the ground near 700 S Albany. Lt. Alejandro Cabral and Sgt. Samantha Clarke also responded and discovered the victim had been shot multiple times. Wasting no time, the police trio immediately began measures to give this victim a fighting chance of survival. Together, they exposed and identified the wounds, applied & secured a chest seal, and then cut the victim's shirt with medical sheers to assess for additional injuries. The victim had gunshot wounds to the left chest, left arm, right hip and lower back. Sgt. Clarke retrieved and applied a second chest seal. EMS arrived and transported the victim to the hospital for medical treatment. He survived. Less than 2 hours later, another young man was the victim of a drive-by shooting near 3300 W. Maypole. Officers Jennifer Deprieto, Hoong Giang, Sgt. Clarke, and Lt. Cabral found the victim in the lobby of a nearby building. He was struck by gunfire 3 times in his right leg and was bleeding badly. Recognizing the seriousness of this type of injury, the team worked together the expose the injuries and apply a tourniquet and pressure gauze to stop the bleeding. The teamwork, bravery and skill displayed cannot be overstated. Officers, you

should all be very proud! The leadership displayed this night must also be commended. Sgt Clarke and Lt Cabral responded to both of these critical scenes and took immediate action. What a way to inspire their team. Thank you all—you represent the best in policing and humanity.
